

### Pickup/Delivery Service – Description, Options, and Pricing

Our basic service is now offered as a pickup or delivery service! We will listen to what your family wants, source the best ingredients, cook healthy dinners, and allow you simply enjoy time with your family around the dinner table. Pick up is available from our licensed commercial kitchen in Doraville, or we can deliver directly to your home. Some clients prefer we bring the food into their home to leave in their kitchen, some ask the food be left in the garage fridge, while others prefer to leave a cooler outside for completely contactless delivery. Safety is our top priority.

**Service Day Includes:** Two customized chef prepared entrees (containing a protein, starch and vegetable) and one salad or appetizer with detailed labeling and instructions for heating the food.

**Pick Up:** Pick up is available from Prep Atl (3300 Marjan Dr, Doraville) between the hours of 12:30-1:30pm

**Delivery Fee:** There is a \$15 per delivery fee to all homes inside the perimeter, above I20.

**Delivery Outside the Perimeter:** We are currently using Roadie, prices vary by location, call to get an estimate. Disposable containers & bags will be charged at \$25/week.

Not a picky eater? Then our **Chef's Selection Menu** option is for you. It's our same chef-prepared fresh, wholesome dinner menus without customization. Menu previews will be sent on Monday the week of your service so you can look forward to your easy family dinners for the upcoming week! **A La Carte Chef's Selection:** You decide if you want service on Tuesday or Thursday or skip weeks between. No agreement or commitment necessary. You'll be added to the Chef's Selection email list every Monday morning and you decide if you want service or not!
