

Basic Service – Description, Options, and Pricing

The basic service plan offers the same taste, quality, and menu customization of our Premium weekly dinner service, at a lower price. Below is a description of what each visit day includes:

Visit Day: The Chef will prepare a two-course dinner comprised of a salad or appetizer and an entrée course (containing a protein, starch, and vegetable). The Chef will also set the table for dinner, leave the kitchen clean, and leave detailed instructions for heating the food. (Want a dessert? Swap your salad for a sweet treat!)

Also, the chef will prepare an entrée course (containing a protein, starch, and vegetable), package the food for easy reheating, and leave detailed instructions for reheating the food the next day.

Serving Night Add-On option: The Chef will visit over the dinner hour, serve all courses of the meal, clear the table, and leave the kitchen clean. Great for date nights, family visiting, or small corporate dinners. (\$50 Mon-Thurs, \$100 for Fridays, as available, guests are \$15 each)

To begin service, Atlanta Personal Chef Service may need to purchase some kitchen supplies on your behalf for use in your kitchen. Supplies needed may include: glass Tupperware, plastic cutting board, aluminum foil, plastic wrap, Zip-Lock bags, disposable gloves, etc. Disposable items will also be replenished on an as-needed basis throughout the course of your service and will be included with the cost of your groceries. The Chef will visit your home according to the determined schedule.
